

Our Latest Statement on Coronavirus (Covid 19)

January 5th 2021

The Government introduction of a Tier 5 National Lockdown will result in significant increased restrictions for us all. We appreciate the importance of Thornham Walks to our visitors, and most especially for the local community, and The Walks will remain open. However, we have taken the following measures to restrict the spread of coronavirus and ensure the safety of our visitors.

1. The play area will be closed from Wednesday 6th January, until further notice. This is to prevent bottlenecks and grouping in the main car park and café area, as well as in the playground.
2. The Forge Café will be open from Thursday 7th January, and serving take-away food and drinks. There will be no seating area outside the café, although benches are still available elsewhere on site. A one-way system will be in place. Please follow the signs and stay 2m apart.
3. The main eco-toilets at the entrance to the surfaced footpath will remain open., and are cleaned daily. However, please maintain vigilant hygiene and use the available hand sanitiser before and after use.
4. Please respect our visitor code: dogs must be kept on leads, do not litter, respect the natural environment.
5. Thornham Walks operates Pay and Display car parks. This income is essential to the continued management and operation of Thornham Walks.
6. Thornham Walks reserves the right to close at any time, in part or entirely.

The safety of our staff, visitors and local community remains our priority. We urge people to comply with government legislation, stay at home and not to travel more than a short distance to exercise.

Thank you for your continued cooperation. Wishing you well at this incredibly challenging time.
