

Our Latest Statement on Coronavirus (Covid 19)

November 4th 2020

The Government announcement to reintroduce lockdown restrictions from Thursday 5th November will affect us all. At Thornham Walks, we appreciate the importance more than ever of outdoor green spaces to exercise and we will remain open, for the benefit of the local community. However, we have taken the following measures to restrict the spread of coronavirus.

1. The play area will be closed from the end of Wednesday 4th November, until further notice.
2. The Forge Café is currently closed. Please check regularly for an update on their reopening as a take away service.
3. The main eco-toilets at the entrance to the surfaced footpath will remain open. They are cleaned daily. However, please maintain vigilant hygiene and use the available hand sanitiser before and after use.
4. Please respect our visitor code: dogs must be kept on leads, do not litter, respect the natural environment.
5. Thornham Walks reserves the right to close at any time.

The safety of our staff, visitors and local community remains our priority. We urge people to follow government legislation, stay at home and not to travel more than a short distance to exercise.

Thank you for your continued cooperation. Wishing you well at this incredibly challenging time. By working together, we will get through this!
